CHICAGO, May 28.—Dunkie pitched magnificent
ball this afternoon and as a result the Chicagos
won the final game of the Boston series. The
fielding of Jones, Tom Daly, Pareut and Ferris
proved the features of a cleverly played and excitwinning in a romp by six lengths in 1:26%, only half a second slower than Chuctanunda's track record. Futurita, who went up in the betting, took the place by three parts of a length from Joe Cobb, who made his first appearance of the year.

Rockey was the good thing in the last event for platers at a mile. He had outworked his stable mate, Agnes D., who won on Monday, but the layers knew all about him and quoted 7 to 5 against him, opening Syrlin favorite a point less. But Rockey closed the choice at 6 to 5, and was backed down to 4 to 5 in some books while the horses were at the BUFFALO, May 26.—Buffalo evened up with Jersey City to-day for first place in the Eastern League race by defeating Newark. at 6 to 5, and was backed down to 4 to 5 in some books while the horses were at the post. Syrlin, with one of his forelegs in bandages, made the running until well into the stretch, where Rockey caught him and then came on, winning rather easily by three parts of a length in 1:1. Dark Planet was third, a head before Scofter. Three favorites and two second choices landed the educated money. The weather was cloudy and cool and the crowd numbered about 8,000. Asked if there was any chance for a compromise in the Davis case. President Johnson of the American Leegue replied: None whatever. Davis is the property of the Chicago American League club, and he will play there or not at all. Lest Tuesday Davis wrote to Comiskey, asking time to send on money and a ticket and he would report to him. Just about the time that Comiskey was making these arrangements he received a telegram from Davis saying that he (Davis) had changed his named.
